About This Content

The Ootz 42 is a four-axle open hopper wagon used for transporting ore, or other bulk materials which do not need to be kept dry. It entered service in 1972 and continued in use until 2000.

The Ootz 42 Wagon Pack for TS Marketplace features the standard brown livery and includes the RandomSkin feature which gives realistic variety to your consists when placing the wagons in a scenario.

Features:

- Brown livery with RandomSkin feature
- Four different loads
- Automatic end plates and dynamic numbering
- With different liveries, RandomSkin feature installed.
